

ALASKA PEONY GROWERS ASSOCIATION

MISSION STATEMENT

The mission of the ALASKA PEONY GROWERS ASSOCIATION is to provide support and assistance to its members in all aspects of growing, processing, transporting and marketing of peony plants and flowers.

The ASSOCIATION will advocate for research, reasonable governmental regulation, public and private financial assistance, and technology transfer that supports its members and the commercial peony industry in Alaska.

The ASSOCIATION advocates and supports establishment and maintenance of a reputation by its members for the highest *quality* of our products, *reliability* in our performance, and *integrity* in our transactions.

The ASSOCIATION will promote peonies grown by its members to the general public and to markets throughout the world, and will publicize and advocate for the Alaska peony industry in general.
